Pearson's Qualifications

Pearson qualifications use a variety of grading scales and are offered across a range of levels. Details of our qualifications, grading and levels can be found on our website: qualifications.pearson.com.

Regulated Status of our Qualifications

A Qualification Number (QN) is printed against a title on this certificate where the qualification is regulated in one or more of England, Wales and Northern Ireland. An SQA code and logo is printed where the qualification is regulated by the Scottish Qualifications Authority.

More information on qualifications regulated in England and Northern Ireland can be found at: register.ofqual.gov.uk.

More information on qualifications regulated in Wales can be found at: www.qiw.wales.

More information on qualifications regulated in Scotland, including the Scottish Credit and Qualifications Framework (SCQF), can be found at: accreditation.sqa.org.uk.

Evidence of Achievement

Successful completion of all programme requirements is recognised by the award of a qualification certificate, together with a certificate that lists the units achieved.

Successful completion of individual units may also be recognised by the issue of a certificate where the learner has not, or is not intending to, complete all the requirements of a full qualification.

Further information on Pearson vocational qualification certificate types can be found at: qualifications.pearson.com/certification.
